

Summer 2024: Registration Information

How to Pay

Option 1: Pay at Time of Registration

- The form will allow you several options to set up payment (ACH and credit card)
- Fees will be auto generated based on payment type

Option 2: Pay at a later date

- To pay the full balance at a later date, simply log back into your account OR click the "review and pay fees" link in your confirmation email
- To pay by check, mail or drop off a check for the amount due
 - Checks should be made out to Trinity Academy and should not contain fees; feel free to email [Shelby Thomas](#) to confirm the amount due
 - Once the check is received, balances due will be removed from your Veracross account and you will be informed of the edit
 - Address: 10224 Baileywick Rd, Raleigh NC 27613
- To submit a deposit (\$60.00/camper):
 - Follow the check instructions above
 - Once received, the deposit amount will be subtracted from the first program a camper is registered for
 - We will inform families when the adjustment has been made and you can simply follow the regular instructions above to submit full payment by the due date
 - Deposits are not an additional fee; they are a part of the total amount due to ensure campers' spots in their registered programs; there is only a single deposit due per camper (not per program)
